### To Whom It May Concern:

I write this in my position as General Manager of this Company. I would like to heartily recommend the Web site design work undertaken by Ms Laura Merrin, of LM Media Productions for this firm.

Not only was it concise, creative and elegant in nature, but with clear, rapid response.

Ms Merrin was given basic advice as to the content, the data necessary, and given a free hand to accomplish the task. This was completed efficiently, accurately and expeditiously.

We also consider her fees totally appropriate, and good value for money.

We are delighted with her professionalism, and recommend her to any prospective client.

Yours Faithfully,

Fords Piano & Organ Centre
